MEMO FOR: FILE

SUBJECT: Ukrainian Interest in []

1. On 13 March [] received a call from "Uncle Louis" concerning []. Louis stated that "his man in Edmonton" who has been in contact for some time with [] believed that ~~that~~ the latter had info of a pertinent political nature to impart and asked if he could question him on such matters.

2. After discussions with the Canadian Desk ([]), it was decided that the best answer to Louis was to inform him casually that if the Edmonton contact felt it worthwhile, to go ahead and question him and for us to give Louis the impression that we aren't particularly interested in the case. [] added that if challenged by the Canadian authorities, our answer should be that we had become aware of Ukrainian interest in [] however, we don't control or influence Ukrainian groups in Canada and had therefore expressed no interest or knowledge of the [] case.
